Dear Sir or Madam:

The Sullivan County Shields , an organization of active and retired law enforcers and supporters, intends to offer scholarship monies for a senior who will graduate in June and who intends to pursue some branch of law enforcement as a career.

The requirements on the part of the student are as follows:

Complete a questionnaire with basic information

Write an essay to explain why he/she has chosen to commit to this type of career. The essay should be approximately 250 words, of original composition and in the student's own handwriting, style, and wording.

A letter of character reference from a guidance or subject teacher.

An interview will be arranged for finalists.

Please encourage students you feel would qualify to submit the information to me as committee chair, at the above address, no later than March 20, 2024.

I am enclosing a copy of the questionnaire. Feel free to make additional copies if you have more than one student who would like to apply.

Recipient(s) are expected to be selected by mid-April.

We look forward to hearing from your interested seniors. Thank you for your cooperation in making this gift possible. If you have questions or need more information, I can be contacted at the above address.

(FYI...monies to be paid directly to bursar of college (or ?) after successful completion of first semester of study.)
